SIMS IS ORDERED HOME AT ONCE

Secretary Denby Cables Sharp Demand to Admiral.

LONDON, June 12. I have of received any orders as yet.

not received any orders as yet. I have nothing to say," Admiral W. S. Sima declared today, when apprised that Secretary Denby had cabled his recall.

"They know in Washington that I asked leave for a certain period," Sima added. "I am leaving on the Olympic Wednesday and that would not change my plans."

"Remainder your leave revoked.
You will return to the United States
immediately and report at once in
person to the secretary of the navy. cknowledge."

This terse cablegram was dis patched Saturday to Admiral W. S. Sims by Secretary of the Navy Denby, who, at the time the mes-sage was sent, had not received Sims' reply to his first cablegram asking for verification of the ad-miral's quoted remarks on the Irish juestion in London last Tuesday

Secretary Much "Annoyed. Secretary Denby would not dis

uss his latest order terminating the leave of the American admiral. siderably annoyed because Admiral Sims had not been prompt in responding to his request for an "im-mediate" report on the London

The secretary of the navy is fur ther reported to have been aroused because the admiral has continued making public speeches with con-stant reference to his reported remarks against the Irish in America, which have been made the subject ing been ordered by the senate into the admiral's statements and the introduction of a resolution in the house by Representative Gallivan would Jeclare Sims to be an undesirable alien and prevent his return to the United States.

Resent "Jackass Votes." The action by the secretary of the navy is regarded in some quarters as meaning Sims will be reprimanded for his recent utterances, which were denounced by Senator McCormick, of Illinois, as "disgusting" and "reprehensible." The senate naval committee was directed particularly to investigate the admiral's decla pay no attention to resolutions on the Irish question in the American congress, which, he said were forced by "jackass votes."

Admiral Sims is in England on leave to receive an honorary degree from an English university.

Bakers Arbitrate Wage Demand on

Decision to await the final settle-ments of the board of arbitration composed of two bakers and two representatives of the employers, was the factor which averted a gen-eral strike of the bakers Saturday at a meeting of the Local Bakers' Union, No. 118 held at the Tpyo-graphical Temple.

The bakers have decided to ac-

The bakers have decided to accede to the refusal of the employ-ers to raise wages as the bakers demanded several weeks ago, and leave the final outcome of the con-troversy in the hands of the arbitration board. At present the board is at a deadlock which can be broken only by a fifth member. Election of a fifth member to the board will be discussed Tuesday. John B. Colpoys, who is in charge of government efforts to bring about

a peaceful settlement between the two factions said last night that he was hopeful of an early settlement.

ficers of the army announced.

Appreciation of the services rendered by the newspapers and by Rudolph Jose, who led the budget drive, was expressed by the Salva tion Army council.

DECKER'S MOTHER LET OUT OF JAIL

WARSAW, Ind., June 12.-Mrs. Lydia Decker, mother of Virgil Decker, convicted by a jury in the Kosciusko circuit court Friday Kosciusko circuit court Friday evening of the murder of his 20-year-old companion, Leroy Lovett, was released from the county jail here late Saturday afternoon upon order of Judge L. W. Royse. Mrs. Decker was Indicted along with her three sons. Virgil. Fred vived and living fourteen and one-half hours through skillful surgery was recorded in an operation on William Carrigan, Belleville, N. J. Surgeons, resetting a broken hip, had placed Carrigan under ether. In the midst of the operation they became alarmed when they could detect no pulse. The surgeons decided upon heroic measures

An incision was made in the abdomen, into which the chief surgeon inserted his hand until his fingers came in contact with the heart. Gently massaging it with his fingers, there was a response. After two or three strokes the pulse "picked up," the beats gradually becoming normal.

The man then came out of the anaesthetic. Although in a weakened condition, he became alert and inquired about his family. The surgeons were jubilant, but after a time he went into coma and never recovered.

KAPOK SILK, !

POLICE CHIEFS' ASSOCIATION AIMS TO ENLARGE BUREAU OF CRIMINAL IDENTIFICATION HERE

Maj. Gessford Says Jurisdiction and Aid of Federal Government is Sought.

Establishment of a central bureau for missing persons, under the jurisdiction of the department of justice, and enlargement of the scope of the international bureau of criminal identification, located in Washington, will be undertaken by the International Association of Chiefs of Police, it was stated Saturday night by Maj. Harry L. Gessford, superintendent of police, who returned yesterday from St. Louis where he attended the annual convention of the police chiefs.

Lused by Government.

With the Bertillon measurements of criminals of both the United States and Canada. These photographs are used by the government, which makes an annual appropriation of the association. The association will launch a campaign for assistant of the property of the bureau and to make of it a center of information of all kinds. Eventually it will become an exchange center of police information, and it is hoped that the federal government will establish jurisdiction over it.
